apn® classic Pattern

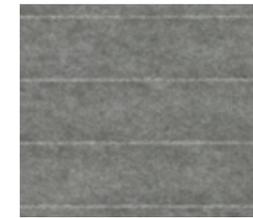

Stoffkollektion

Unser Kollektion apn classic pattern besteht durch eine voluminöse 3D-Struktur. Die grafischen Streifen bilden klare Linien, der dezente Melange-Effekt und die filzähnliche Haptik bilden einen schönen Kontrast dazu. Insgesamt wirkt der Stoff wohnlich warm und mit den erdigen Tönen lassen sich harmonische Kompositionen gestalten. Dieser Stoff lässt sich hervorragend mit unserer apn classic soul Kollektion kombinieren.
